Viterbi Partner Program

By becoming a Viterbi Career Connections (VCC) Partner, you benefit from the convenience of packaging your engineering recruiting expenses into a single payment, pre-selecting your recruitment schedule for the academic year, and increasing your organization's visibility with our talented and diverse student population.

Every Partner enjoys seven included offerings, regardless of what tier they participate in. Priority yearly registration for members of the Partner Program begins 2 weeks prior to regular employers for On-Campus Recruiting. See the difference:

As of April 2021 | Contact us at vcareers@usc.edu for details.
Program Details:

**Why stars?** We understand that every organization has unique initiatives and recruiting interests. By using stars as opposed to locking offerings into tiers, we give our Partners creative freedom to choose the recruiting strategy that works for them.

**What is a star?** Each tier includes a number of "stars". Whatever tier you choose, you own this number of stars to "spend" throughout the academic year on different Viterbi student engagement and recruiting activities. Each activity is listed to the left, and the definition of each activity can be found in Program Definitions below. If something is labeled as “included” it means that this service is for all Partners, regardless of what tier you choose!

**Not sure where to begin?** We have created proposed recruiting plans for each Partner tier to recommend how to best use your stars. View them in the attached document.

Activities & Offerings:

**Strategy — Planning Your Recruitment**

- **Included** - Priority registration for on campus recruitment activities
- **Included** - Salary & placement statistics
- **Included** - Personalized recruiting strategy sessions with VCC staff
- **Included** - Invitation to annual virtual recruiting round table discussion
